Important Information About BDTX's Billing & Insurance Policies and Procedures

- **BDTX providers** [Dr. Cragnolino, Dr. Forster, and Dr. Fulop] are not participating provider for insurance panels. Sometimes insurers make mistakes and tell you a provider is on their panel, even though this is not generally accurate for most of our providers.
- Our billing specialist will bill your insurance for you, as a courtesy.
- We prefer that you remit for services as provided by Visa/MC on a regular basis, or by pre-pay, unless you have made other express arrangements Holly Kelly.
- Once your bill is paid in full [charged automatically from your Visa/M.C. or debit card] at the end of each month, we will continue to bill your insurer for them to pay whatever portion your plan will allow for out-of-network [non-panel providers]. Some insurers send you payments, but if they send them here, we make refunds once the final billing is completed.
- For treatment or consultation services [non-assessment] fees are deducted from your Visa/M.C. or HSA debit card each day the services are provided. If not using Visa/M.C., please make arrangements for paying by check on a weekly or monthly basis.

If you have questions about policies, please discuss them with Holly Kelly at hmackelly@aol.com or 503.267.2111.
